RAIL SAFETY SECTION

**SUBJECT:** Form 2, Notice of Completion of Minor Changes in Crossing Protection

Dear Mr. Lazarides:

The Elgin, Joliet and Eastern Railway Company hereby gives a Form 2 Notice of Completion of minor changes in the crossing protection under 92 Illinois Administrative Code 1535.400 © as follows:

<u>Crossing Number</u>	<u>Location</u>	<u>Street/Highway</u>
260 556H	Naperville	Diehl Road

Please note that the drawings reflect constant time warning devices with a single track bidirectional setup. This will change to a two track unidirectional setup when the block signal portion through the crossing is cutover. We will document that change and update the applicable drawings and paperwork at that time.

If any questions arise or if you should need any further assistance with this matter please contact EJ&E's Jovan Jevtovic at (815) 740-6593.

Sincerely,

T.W. Hunter  
Engineer-Signal, C&E
